EXERCISE SCIENCE  
& HEALTH PROMOTION  
MASTERS DEGREE

### 10 Program Facts

The program was created in 2002 & has been nationally recognized for two decades.

The alumni network is very large with over 120 alumni working in professional sports alone, including NBA, MLB, NFL, NHL, & MLS.

The program offers ten unique single concentrations & also allows you to choose any two for a dual concentration.

You can complete the program in as little as a year.

Program Alumni represent all 50 states & over 15 countries.

Our award winning faculty are experts in the field and are nationally recognized.

Being a State University in Pennsylvania, PennWest offers affordable tuition rates.

You never need to come to campus, although you may want to visit for your graduation.

Over 95% of our graduates are working in the field within two months after graduation.

We partner with internationally respected organizations such as NASM, WellCoaches, Technogym, as well as many others.

### PennWest Exercise Science

Have you been thinking about getting your masters degree in the field you love? Do you have a passion for fitness and health? Do you want to earn your degree from the same place where national leaders in sports medicine, health care, wellness, sport performance, and fitness have earned their degree? Are you limited on time and need a flexible degree program? Do you want to finish your degree in a years time? Do you want to become part of a national network of exercise science professionals?
