

CLARION WIRELESS SETUP GUIDE Apple iOS (iPad, iPhone, iPod Touch)

If you encounter any issues with accessing the Clarion wireless network, then please contact the Computing Services Help Desk at 814-393-2640 or techsupport@pennwest.edu.

1. Tap “Settings” from the home screen.

2. Select Wi-Fi from the navigation menu.
3. Tap the “cu-wifi-secure” network.

4. Enter your login information.
 - a. "Username" field enter your PennWest username
 - b. "Password" field enter your PennWest password.
 - c. Tap "Join"

-
5. Click "Accept". This certificate can safely be accepted and all subsequent connections will automatically connect without displaying a warning message.
