A. Intent

This policy is intended to define harassment, intimidation, and institutional vandalism; to provide information about these issues; to establish a mechanism for handling allegations of harassment and intimidation that occur on campus or at campus sponsored events from current students, employees, campus visitors and guests; and to address instances of institutional vandalism.

This policy shall be reviewed as dictated by changes in PASSHE policy or state and federal law.

B. Definition(s)

**Harassment** is Behavior consisting of physical or verbal conduct that is sufficiently severe or pervasive such that it substantially interferes with an individual’s employment, education or access to University programs, activities or opportunities and would detrimentally affect a reasonable person under the same circumstances. Harassment may include, but is not limited to, verbal or physical attacks, graphic or written statements, threats, or slurs. Whether the alleged conduct constitutes prohibited harassment depends on the totality of the particular circumstances, including the nature, frequency and duration of the conduct in question, the location and context in which it occurs and the status of the individuals involved.

Additionally, harassment against any individual on the basis of race, sex/gender, color, age, religion, ancestry, national origin, disability, organizational affiliation, sexual orientation, gender stereotype, marital status, veteran status, or any other protected class status as defined by applicable federal or state law is discriminatory. This includes harassing conduct affecting tangible job benefits, interfering unreasonably with an individual’s work or educational performance, or creating what a reasonable person would believe is an intimidating, hostile, or offensive environment. Discriminatory Harassment is further defined and covered under Policy DE002 - Non-Discrimination Policy

**Intimidation or the act of intimidation** is defined as behavior or conduct that intentionally or knowingly puts another person in fear of imminent bodily injury.
**Bullying** is defined as any written, verbal or physical act, or any electronic communication, directed toward a person that is intended to cause or that a reasonable person would know is likely to cause, and that actually causes, physical harm or substantial emotional distress and thereby adversely affects the ability of another person to participate in or benefit from the university’s educational programs or activities.

**Cyber-bullying** is defined as an intentional electronic act of bullying as defined above.

C. **Policy**

The University is committed to creating and maintaining a campus environment that is free of harassment, intimidation, and bullying. University policy prohibits committed acts that are severe or pervasive enough to have the impact of unreasonably interfering with an individual’s ability to live, learn, and work at Pennsylvania Western University. Such acts include, but are not limited to, acts of bullying, including cyber-bullying, intimidation or danger to the person, criminal mischief, harassment by communication or address and arson.

University policy, therefore, prohibits violence, harassment, intimidation, bullying, and intentionally inciteful acts directed toward any individuals or groups regardless of protected class status as defined by applicable federal or state law.

D. **Procedure(s)**

**Confidentiality and Due Process**

The Equity and Title IX Office will make every effort to ensure confidentiality and protect the due process rights of the complainant and the respondent. Additionally, the complainant, respondent, and witnesses are encouraged to maintain confidentiality consistent with the intent of the University.

Both parties shall be informed by the investigator of the procedural steps taken during the course of the complaint procedures and investigation.

This policy adheres to the due process rights contained within all Pennsylvania State System of Higher Education collective bargaining agreements and Board of Governors Merit Principle Policy.

**Retaliation Prohibited**

Retaliation against any person who alleges harassment and/or intimidation or who reports or assists the Equity and Title IX Office in the investigation of a complaint under this policy is prohibited and may result in disciplinary action up to and including termination or expulsion from the University.

**Reporting Procedures**

Reporting such allegations of unlawful or prohibited harassment, intimidation, or bullying should occur as follows:

A. **Report from:** A current employee, including faculty members, staff members, administrators, or student workers who believes s/he is the target of harassment and other forms of prohibited discrimination.

   **Report to:** Executive Director of Equity and Title IX or Associate Director of Equity and Title IX.

B. **Report from:** A current student who believes s/he is the target of harassment and
other forms of prohibited discrimination.

**Report to:** Student Conduct Office or Associate Director of Equity and Title IX.

C. **Report from:** A campus visitor or guest, service contractor or provider, or other individual who believes that s/he has been subjected to harassment and other forms of prohibited discrimination by a current employee or student.

**Report to:** Executive Director of Equity and Title IX or Associate Director of Equity and Title IX.

D. **Report from:** A student, campus visitor or guest, service contractor or provider, or other individual who believes that s/he has been subjected to unlawful or prohibited discrimination by the University President or a member of the President’s Executive Council.

**Report to:** Office of the Chancellor

All individuals have an obligation to report any information they have pertaining to harassment, including acts of bullying, or intimidation so that the matter may be addressed in a timely manner.

Some harassing behavior might violate criminal laws and, as such, individuals should feel free to discuss any actions with the University Police Department.

**The Role of Advisors**

If a complainant or a respondent desires, s/he may be accompanied throughout the complaint process and investigation by an individual who may advise and assist the complainant or respondent throughout the complaint resolution process.

The advisor may be any individual from within the University community. The advisor may be an attorney or union representative. Each party is responsible for coordinating and scheduling with their advisor.

A complainant or respondent and an advisor may consult with each other, but the advisor does not speak for or on behalf of the complainant or respondent.

**Complaint Resolution Procedure**

The purpose of complaint resolution is to investigate complaints of harassment, intimidation, or bullying and to facilitate a formal resolution of the complaint based on a determination or finding of a violation of this policy.

The procedure for complaints calls for prompt review followed by action intended to prevent any harassment or intimidation. The complaint resolution process may result in disciplinary action.

**Step 1: Filing a Complaint.**

Complaints of harassment, intimidation, and/or bullying should be filed no later than 180 days after the alleged act or behavior. It is in the best interest of all, however, to conduct a timely review of the circumstances of the alleged discriminatory act or behavior; accordingly, complainants are urged to file complaints as soon as possible. Therefore, individuals who have complaints of harassment and/or intimidation are encouraged to come forward.

Complaints against University employees are filed with the Executive Director of Equity
and Title IX or Associate Director of Equity and Title IX. The Senior Associate Vice President for Human Resources will be informed of any complaints that are filed.

Complaints against University students are handled through the student conduct process. Complaints against University students, however, also should be reported to Associate Director of Equity and Title IX. A report shall be made to the Assistant Vice President of Student Affairs and Campus Life or his/her designee who will inform the complaining individual about the student conduct process.

Complaints against the University President or any member of the President’s Executive Council should be filed with the Office of the Chancellor.

**Step 2: Form of Complaint.**

The University strongly encourages complaints be in writing in order to ensure accuracy. Any person may use the complaint form provided in this policy to file a complaint (see APPENDIX A). The form, however, must be signed and dated by the complainant.

Unsigned written or anonymous complaints will be addressed and investigated as warranted; however, the ability to substantiate unsigned or anonymous complaints is compromised.

**Step 3: Preliminary Inquiry.**

Following receipt of a report of harassment, intimidation, or bullying, the Executive Director of Equity and Title IX or their designee will promptly determine whether the report is properly classified under this Policy. Absent unusual circumstances this process should be completed within 5 days of the receipt of the complaint. Where a complaint with a student as respondent alleges actions that do not fall within this policy, the Executive Director of Equity and Title IX or their designee may refer the complaint to the Inclusive Community Assessment Team (ICAT). Additional information about the ICAT can be found here: https://www.clarion.edu/about-clarion/leadership/office-of-the-president/office-of-diversity-equity-and-multicultural-affairs.html. Where a complaint with an employee as respondent alleges actions that do not fall within this policy, the Executive Director of Equity and Title IX or their designee may refer the complaint to the Human Resources Office.

**Step 4: Investigatory Review.**

Investigatory reviews into allegations of harassment and/or intimidation, against employees are normally conducted by the Executive Director of Equity and Title IX or their designee.

Allegations of harassment and/or intimidation against students are handled through the Student Conduct Office.

Upon receiving a complaint, the Associate Director of Equity and Title IX shall commence an investigatory review of the allegations.

The investigatory review will be processed without undue delay absent exigent circumstances.

**Step 5: Investigation Completion.**
At the conclusion of the investigatory review, the parties in a complaint shall receive notification that an investigative report has been completed and forwarded to the appropriate official for further action, if warranted.

Step 6: Determination.

For complaints against students, the Student Conduct Office will follow the Student Code of Conduct process for hearings and conduct a hearing based on the information discovered through the investigatory process in order to determine whether a violation of the Policy or Student Code of Conduct has occurred.

For complaints against employees, the President or designee will decide what action will be taken, including, but not limited to, the dismissal of the complaint or the imposition of discipline. If the complainant and respondent wish to meet with the President prior to her decision, he or she should so inform the President within five business days from the date that he or she was informed of the Final Report. The President may convene a meeting with the requesting party and the Office of Equity and Title IX and the Office of Human Resources. The President will notify the respondent regarding the final outcome of the complaint and the basis for the decision. The decision of the President shall be final. The complainant will receive a letter from the Office of the President regarding the outcome of the complaint and the basis of the decision, without providing specific details regarding the resolution.

All records of the formal process, including the decision of the President, will be kept in the Office of Equity and Title IX for three years. In the event of an adverse ruling against the respondent, a copy of the decision of the President shall be placed in the respondent’s personnel file.

Step 7: Policy Violation.

If a violation of this policy has occurred, timely disciplinary action will occur that may range up to and including termination of employment or expulsion from the University in accordance with University policy.

If a student is found to have harassed and/or intimidated another person(s), the student will be disciplined in accordance with the Student Code of Conduct and employees will be disciplined under the appropriate collective bargaining agreement, or, in the event of a management employee, as appropriate in accordance with Board of Governors Policy (Merit Principles).
