R. LORRAINE (LAURIE) BERNOTSKY, D.PHIL.
Interim President, Pennsylvania Western University

As Pennsylvania Western University's interim president, Dr. Bernotsky leads the second-largest public university in western Pennsylvania, with campuses at California, Clarion, and Edinboro.

Through the chancellor, and working with the Pennsylvania Western University Council of Trustees, she reports to the Board of Governors for Pennsylvania's State System of Higher Education.

Before her presidential appointment on March 1, 2023, Dr. Bernotsky served Pennsylvania Western University as executive vice president and chief operating officer. Then, as now, she focused on academic and operational excellence, strategic enrollment management, and long-term plans for the university's future.

Dr. Bernotsky is on loan to Pennsylvania Western University from West Chester University, where she has been executive vice president and provost since 2017. In this role she led the Academic Affairs division and provided leadership in budgeting and labor relations. She also has extensive experience in undergraduate and graduate admissions, enrollment management, financial aid, student support services, curriculum development, program review, and assessment.

Dr. Bernotsky holds both a master's degree and a doctorate in politics from the University of Oxford and a master's degree in sociology from Temple University.

THE CEREMONIAL MACE

Vulcan, the Greek god of fire and metalworking, lifts a hammer high over his head, preparing to strike an anvil which is draped with a triangle inscribed with the words “education, research and service.” He holds the triangle in place with tongs; his face fierce with determination, he kneels at the forge. Captured forever in the act of creation, this Vulcan is memorialized on the University mace created by artist Thomas Shimrock of Grantsville, Maryland. His interpretation of the California mascot, cast from six pounds of silver, sits proudly on the top of a 52-inch-high wooden mace that made its debut at California University’s 147th commencement.

Mr. Shimrock was commissioned to design and create the mace, a display cabinet and a carrying case by the Foundation for California University. Crafted from bubinga wood, it holds the mace upright within its circular confines. Three graceful bubinga supports, stretching upward from delicately carved ebony ovals, each topped with a different hand-cast silver finial, cradle the circular cabinet body, made up of two curved glass windows and a curved ebonized anegre wood door set in a bubinga wood frame. The carrying case is made from quarter-cut sycamore lined with velvet.

The University mace, carried by a senior faculty member in all formal academic processions, is on permanent display in the lobby of the Louis L. Manderino Library.

ACADEMIC ATTIRE

The academic attire worn at university ceremonies today in the United States dates back in its essential features to the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools. Students and faculty wore clerical garb, largely borrowed from the monastic dress of their day.

The head-covering of the academic costume developed out of the skull cap worn by the clergy in cold weather. In the universities, this skull cap acquired a point on top which gradually evolved into a tassel. In this country, it has been replaced by the familiar mortar board, which still retains the medieval tassel.

The hood was originally worn over the head, and otherwise dropped onto the shoulders, like a cowl. Today, each college has its distinctively colored hood-lining, by which its graduates may be recognized in academic colors listed on the next page.

GOWNS

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The bachelor's and master's gowns are fashioned from black serge. The yoke for the bachelor's gown is designed to be worn closed and features long, flowing and pointed sleeves. The master's gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cut away. The arms protrude through a slit at the elbow. The gown for the doctorate has bell-shaped sleeves and is faced down the front with velvet and three bars across the sleeves. The facing and crossbars of velvet may be of the color distinctive of the field to which the degree pertains.

HOODS

The hood is usually worn only for the master's and the doctorate. The doctor's hood is longer than the master's hood and has distinguished panels. The college or university granting the degree is indicated by the color of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted.

CAPS

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the baccalaureate and master's degree and is worn over the left front quarter of the cap. The doctoral cap is indicated by a tassel of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred.

COLORS DISTINCTIVE OF THE DISCIPLINES AND PROFESSIONS

Only a single degree from a single institution should ever be indicated by a single garment. For all academic purposes, including trimmings of doctors' gowns, edgings of hoods, and tassels of caps, the colors associated with the different subjects are as follows:

Agriculture – <i>Maize</i>	Fine Arts – <i>Brown</i>	Philosophy – <i>Dark Blue</i>
Architecture/Planning – <i>Blue</i>	Foreign Affairs – <i>Aquamarine</i>	Physical Education – <i>Sage Green</i>
Arts, Letters, and Humanities – <i>White</i>	Forestry – <i>Russet</i>	Psychology – <i>Antique Gold</i>
Business – <i>Drab</i>	Journalism – <i>Crimson</i>	Public Administration – <i>Peacock Blue</i>
Criminal Justice – <i>Midnight Blue</i>	Law – <i>Purple</i>	Public Health – <i>Salmon Pink</i>
Chiropractic – <i>Silver</i>	Library Science – <i>Lemon</i>	Science – <i>Golden Yellow</i>
Dentistry – <i>Lilac</i>	Medicine – <i>Green</i>	Social Work/Social Science – <i>Citron</i>
Economics – <i>Copper</i>	Music – <i>Pink</i>	Theology – <i>Scarlet</i>
Education – <i>Light Blue</i>	Nursing – <i>Apricot</i>	Veterans – <i>Red, White and Blue</i>
Engineering – <i>Orange</i>	Oratory – <i>Silver Gray</i>	Veterinary Science – <i>Gray</i>
	Pharmacy – <i>Olive Green</i>	

HONORS DESIGNATIONS

Summa Cum Laude – <i>Gold Stoles</i>
Magna Cum Laude – <i>White Stoles</i>
Cum Laude – <i>Red Stoles</i>
Associate Degree with Distinction – <i>White Cords</i>
Pennsylvania Western University Honors Program – <i>Gold Medallions</i>

PHILANTHROPY RECOGNITION

Pennsylvania Western University Advancement recognizes students who demonstrate their generosity and commitment to their alma mater as they transition from student to engaged alumni. To earn this red tassel and/or red or white cord, students must participate in their first alumni event by making a gift through the Pennsylvania Western University – California Gift Drive. The tassel and cord symbolize the important role that our alumni serve in strengthening the university.

HONORS

The following degree candidates have earned at least 30 credits as undergraduate students of Pennsylvania Western University and have attained the following cumulative averages: summa cum laude, 3.8 to 4.0; magna cum laude, 3.6 to 3.79; and cum laude, 3.4 to 3.59. Appearance of a name in this program is presumptive evidence of graduation. However, the list of graduates included in the program is not intended to be used as an official indication of graduation. The official transcript, issued by the Commonwealth of Pennsylvania, sealed and signed by the proper authorities, is conclusive testimony to the possession of a degree.

ALMA MATER

California, alma mater
Now we sing to thee
California, dear forever
In our memory.
With our voices loudly ringing,
Of thy fame we're ever singing.
California, alma mater;
Hail! All hail to thee.

For the friends and joys you gave us,
We give thanks to thee
All thy knowledge we'll make worthy
For Posterity.
May thy reign be ever prosperous
And thy name forever glorious.
California, alma mater;
Hail! All hail to thee.

Philip Rossi, 1937
