R. LORRAINE (LAURIE) BERNOTSKY, D.PHIL.  
*Interim President, Pennsylvania Western University*

As Pennsylvania Western University's interim president, Dr. Bernotsky leads the second-largest public university in western Pennsylvania, with campuses at California, Clarion, and Edinboro.

Through the chancellor, and working with the Pennsylvania Western University Council of Trustees, she reports to the Board of Governors for Pennsylvania's State System of Higher Education.

Before her presidential appointment on March 1, 2023, Dr. Bernotsky served Pennsylvania Western University as executive vice president and chief operating officer. Then, as now, she focused on academic and operational excellence, strategic enrollment management, and long-term plans for the university's future.

Dr. Bernotsky is on loan to Pennsylvania Western University from West Chester University, where she has been executive vice president and provost since 2017. In this role she led the Academic Affairs division and provided leadership in budgeting and labor relations. She also has extensive experience in undergraduate and graduate admissions, enrollment management, financial aid, student support services, curriculum development, program review, and assessment.

Dr. Bernotsky holds both a master's degree and a doctorate in politics from the University of Oxford and a master's degree in sociology from Temple University.

## PRESIDENTIAL MEDALLION

Clarion's presidential medallion made its debut at the inauguration of President Karen Whitney on April 15, 2011. The central piece of the medallion is the president's medal, which bears Clarion's seal. The medal is suspended from a chain of office whose links record historical lineage by displaying the names of Clarion University's previous 15 presidents and the years they served.

The medallion, which symbolizes the office of the president, is a gift to the university from a private donor. It is worn at ceremonial occasions, particularly commencements and convocations.

## THE CEREMONIAL MACE

Pennsylvania Western University – Clarion's current mace, introduced in 1997, was designed and created by Ms. Kaersten Colvin-Woodruff, associate professor of art.

The shaft of the mace was crafted by university maintenance staff member Terry Byerly, while the production of ceramic molds for its head and its casting were done by Franklin Bronze of Franklin, Pa. The position of mace bearer is one of honor given to a senior member of the faculty.

Fashioned after Byzantine architecture, a style represented in some of the earliest institutions of learning, the head structure of the mace consists of three cupped units, each one raised slightly above the other. Each unit is made from a highly polished yellow brass alloy and is molded from various thin, randomly positioned brass leaves.

The individual brass leaves, which replicate leaves gathered on campus, symbolize the intellectual and cultural diversity of the university community, as well as the physical beauty of its campuses. The university's seal is embedded in the upper cupped unit.

The shaft of the mace is made of black cherry hardwood, which is native to western Pennsylvania. It, too, is finished with a brass ornament, creating a chromatically balanced piece.

The university mace is permanently displayed in Carlson Library.

## ACADEMIC ATTIRE

The academic attire worn at university ceremonies today in the United States dates back in its essential features to the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools. Students and faculty wore clerical garb, largely borrowed from the monastic dress of their day.

The head-covering of the academic costume developed out of the skull cap worn by the clergy in cold weather. In the universities, this skull cap acquired a point on top which gradually evolved into a tassel. In this country, it has been replaced by the familiar mortar board, which still retains the medieval tassel.

The hood was originally worn over the head, and otherwise dropped onto the shoulders, like a cowl. Today, each college has its distinctively colored hood-lining, by which its graduates may be recognized in academic colors listed on the next page.

### GOWNS

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The bachelor's and master's gowns are fashioned from black serge. The yoke for the bachelor's gown is designed to be worn closed and features long, flowing and pointed sleeves. The master's gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cut away. The arms protrude through a slit at the elbow. The gown for the doctorate has bell-shaped sleeves and is faced down the front with velvet and three bars across the sleeves. The facing and crossbars of velvet may be of the color distinctive of the field to which the degree pertains.

### HOODS

The hood is usually worn only for the master's and the doctorate. The doctor's hood is longer than the master's hood and has distinguished panels. The college or university granting the degree is indicated by the color of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted.

### CAPS

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the baccalaureate and master's degree and is worn over the left front quarter of the cap. The doctoral cap is indicated by a tassel of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred.

## COLORS DISTINCTIVE OF THE DISCIPLINES AND PROFESSIONS

*Only a single degree from a single institution should ever be indicated by a single garment. For all academic purposes, including trimmings of doctors' gowns, edgings of hoods, and tassels of caps, the colors associated with the different subjects are as follows:*

Agriculture – <i>Maize</i>	Fine Arts – <i>Brown</i>	Philosophy – <i>Dark Blue</i>
Architecture/Planning – <i>Blue</i>	Foreign Affairs – <i>Aquamarine</i>	Physical Education – <i>Sage Green</i>
Arts, Letters, and Humanities – <i>White</i>	Forestry – <i>Russet</i>	Psychology – <i>Antique Gold</i>
Business – <i>Drab</i>	Journalism – <i>Crimson</i>	Public Administration – <i>Peacock Blue</i>
Criminal Justice – <i>Midnight Blue</i>	Law – <i>Purple</i>	Public Health – <i>Salmon Pink</i>
Chiropractic – <i>Silver</i>	Library Science – <i>Lemon</i>	Science – <i>Golden Yellow</i>
Dentistry – <i>Lilac</i>	Medicine – <i>Green</i>	Social Work/Social Science – <i>Citron</i>
Economics – <i>Copper</i>	Music – <i>Pink</i>	Theology – <i>Scarlet</i>
Education – <i>Light Blue</i>	Nursing – <i>Apricot</i>	Veterans – <i>Red, White and Blue</i>
Engineering – <i>Orange</i>	Oratory – <i>Silver Gray</i>	Veterinary Science – <i>Gray</i>
	Pharmacy – <i>Olive Green</i>

## PHILANTHROPY RECOGNITION

Pennsylvania Western University Advancement recognizes students who demonstrate their generosity and commitment to their alma mater as they transition from student to engaged alumni. To earn this graduation cord, students must participate in their first alumni event by making a gift through the Clarion Gift Drive. The cord symbolizes the important role that our alumni serve in strengthening the university.
