I have completed 12 credits since readmission (Yes/No toggle)

The Fresh Start program allows a student with a previous poor academic record when readmitted to PennWest, to minimize the negative impact of previous poor grades on their academic record. Through Fresh Start, any grades of D+ and below earned prior to readmission will be removed from grade point average (GPA) calculations and will not count as credits earned toward graduation. These grades will remain on the transcript with a note. All credits from course grades C- and above earned prior to readmission will count as credits earned toward graduation but will not count in GPA calculations.
