To our graduates, families and friends,

On behalf of our community of educators, I am pleased to welcome you to PennWest California’s Spring 2023 Commencement.

Whether you are here to receive a degree or watch a loved one walk across the stage, you can be proud of what our graduates have accomplished. Earning a college degree is a significant achievement, and the Class of 2023 has pursued that goal with spirit and determination.

Today our graduates join an alumni network that is 188,000 strong. Members of the PennWest Alumni Association have many opportunities to stay connected to their university, their campus, and this nationwide network of accomplished and caring individuals. I encourage our newest alumni to keep in touch – as proud Vulcans, you are always welcome at PennWest.

Thank you for joining us today as we honor – and applaud! – the PennWest Class of 2023.

Yours,

R. Lorraine Bernotsky, D.Phil.
Acting President

Our Mission

Pennsylvania Western University

Pennsylvania Western University empowers students to build meaningful lives through a broad array of nationally accredited undergraduate and graduate programs, career-focused learning and an unwavering focus on student success. A regional comprehensive university, PennWest provides accessible, high value higher education on its three premier residential campuses in western Pennsylvania and its virtual campus.

The University History

Three Legendary Institutions. One Promising Future.

PennWest may be a new name, but its history spans nearly 165 years of tradition and academic excellence. Formed by the integration of California, Clarion and Edinboro universities, PennWest is a model for future success. It’s building on the strengths of each university in order to offer every student a richer experience, while holding down the cost of education.

Three brick-and-mortar campuses welcome residential as well as commuter students, and its online offering allows you to choose the academic and personal options that suit you best. Students have access to more courses, more faculty and more learning opportunities than ever before, including the in-person classes and hands-on learning that have always been a part of California, Clarion and Edinboro.

Our plans for the future are as bold and bright as the students we serve.

Acting President, Pennsylvania Western University

As PennWest’s acting president, Bernotsky leads the second-largest public university in western Pennsylvania, with campuses at California, Clarion and Edinboro, Pa.

Through the chancellor, she reports to the Board of Governors for Pennsylvania’s State System of Higher Education. Under Board policy, her recommendations in key areas are reviewed and approved by the Council of Trustees.

Before her presidential appointment on March 1, 2023, Bernotsky served PennWest as executive vice president and chief operating officer. Then, as now, she focused on academic and operational excellence, strategic enrollment management, and long-term plans for the university’s future.

Bernotsky is on loan to PennWest from West Chester University, where she has been executive vice president and provost since 2017. In this role she led the Academic Affairs division and provided leadership in budgeting and labor relations. She also has extensive experience in undergraduate and graduate admissions, enrollment management, financial aid, student support services, curriculum development, program review and assessment.

Bernotsky holds both a master’s degree and a doctorate in politics from the University of Oxford and a master’s degree in sociology from Temple University.
GAIL ARTYTH GEORGE LENSE
Honorary Degree

Gail Artyth George Lese ’61, ’83 will be recognized for her remarkable dedication to PennWest California – and her legacy of service to the university community – with an honorary Doctor of Humane Letters.

Lese, who passed away in October 2020, enrolled in California State College as a mathematics major and a physics minor. She went to school year-round and graduated in three years in 1961.

After graduating with her bachelor’s degree, Lese accepted a position as a math teacher at her alma mater, Bentleyville High School, and she married California graduate Dr. Alexander Lese, ’61, in 1963.

In 1977, the Leses moved to Bethel Park and opened a dental practice in Brentwood with Gail becoming the manager and accountant. Also in 1977, Gail became active with the Alumni Association at California University of Pennsylvania, eventually becoming chairperson for more than five years.

Due to Gail’s loyal service to the Alumni Association, Lese was the recipient of the John R. Gregg and Dixonians awards.

Lese served as a university trustee for more than 14 years, chairing the fundraising drive in 1985 that represented the funding basis for the formation of the Foundation for California University of Pennsylvania.

Due to Lese’s philanthropy, the Heritage Lounge in the Natali Student Center was renamed the Gail Artyth George Lese Heritage Lounge, with a portrait of her hanging in the entry.
THE CEREMONIAL MACE

Vulcan, the Greek god of fire and metalworking, lifts a hammer high over his head, preparing to strike an anvil which is draped with a triangle inscribed with the words “education, research and service.” He holds the triangle in place with tongs; his face fierce with determination, he kneels at the forge. Captured forever in the act of creation, this Vulcan is memorialized on the University Mace created by artist Thomas Shimrock of Grantsville, Maryland. His interpretation of the California mascot, cast from six pounds of silver, sits proudly on the top of a 52-inch-high wooden mace that made its debut at California University’s 147th commencement.

Mr. Shimrock was commissioned to design and create the mace, a display cabinet and a carrying case by the Foundation for California University. Crafted from bubinga wood, it holds the mace upright within its circular confines. Three graceful bubinga supports, stretching upward from delicately carved ebony ovals, each topped with a different hand-cast silver finial, cradle the circular cabinet body, made up of two curved glass windows and a curved ebonized anegre wood door set in a bubinga wood frame. The carrying case is made from quarter-cut sycamore lined with velvet.

The University Mace, carried by a senior faculty member in all formal academic processions, is on permanent display in the lobby of the Louis L. Manderino Library.
ACADEMIC ATTIRE

The academic attire worn at American college exercises today dates back in its essential features to the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools. Students and faculty wore clerical garb, largely borrowed from the monastic dress of their day.

The head-covering of the academic costume developed out of the skull cap worn by the clergy in cold weather. In the universities, this skull cap acquired a point on top which gradually evolved into a tassel. In this country, it has been replaced by the familiar mortar-board, which still retains the medieval tassel.

The hood was originally worn over the head, and otherwise dropped onto the shoulders, like a cowl. Today, each college has its distinctively colored hood-lining, by which its graduates may be recognized in academic colors listed on the next page.

GOWNS
The gown for the bachelor's degree has pointed sleeves, with no trimming and is worn closed. The gown for the master's degree has oblong sleeves, open at the wrist, with the rear part of its oblong sleeve square cut and is worn open or closed. The gown for the doctorate degree has bell-shaped sleeves and is faced down the front with velvet and three bars across the sleeves. The facing and crossbars of velvet may be of the color distinctive of the field to which the degree pertains.

HOODS
The length of the hood worn for the master's degree is three and one-half feet, and for the doctoral degree four feet. The linings of the hood represent the official color of the college or university conferring the degree. The binding or edging of the hood is three inches and five inches for the master's and doctoral degrees, respectively. The color is distinctive of the degree held by the wearer.

CAPS
The cap or mortarboard has a tassel fastened to the middle of the cap, and wearing over the left side indicates the completion of a degree. The doctoral cap is indicated by a tassel of gold thread.
COLORS DISTINCTIVE OF THE DISCIPLINES AND PROFESSIONS

Only a single degree from a single institution should ever be indicated by a single garment. For all academic purposes, including trimmings of doctors’ gowns, edgings of hoods, and tassels of caps, the colors associated with the different subjects are as follows:

- Agriculture – Maize
- Architecture/Planning – Blue
- Arts, Letters, and Humanities – White
- Business – Drab
- Criminal Justice – Midnight Blue
- Chiropractic – Silver
- Dentistry – Lilac
- Economics – Copper
- Education – Light Blue
- Engineering – Orange
- Fine Arts – Brown
- Foreign Affairs – Aquamarine
- Forestry – Russet
- Journalism – Crimson
- Law – Purple
- Library Science – Lemon
- Medicine – Green
- Music – Pink
- Nursing – Apricot
- Oratory – Silver Gray
- Pharmacy – Olive Green
- Philosophy – Dark Blue
- Physical Education – Sage Green
- Psychology – Antique Gold
- Public Administration – Peacock Blue
- Public Health – Salmon Pink
- Science – Golden Yellow
- Social Work/Social Science – Citron
- Theology – Scarlet
- Veterans – Red, White and Blue
- Veterinary Science – Gray

The tassel and cord symbolize the important role that our alumni serve in strengthening the university.

Appearance of a name in this program is presumptive evidence of graduation. However, the list of graduates included in the program is not intended to be used as an official indication of graduation. The official transcript, issued by the Commonwealth of Pennsylvania, sealed and signed by the proper authorities, is conclusive testimony to the possession of a degree.

ALMA MATER

California, alma mater
Now we sing to thee
California, dear forever
In our memory.
With our voices loudly ringing,
Of thy fame we're ever singing.
California, alma mater;
Hail! All hail to thee.

For the friends and joys you gave us,
We give thanks to thee
All thy knowledge we'll make worthy
For Posterity.
May thy reign be ever prosperous
And thy name forever glorious.
California, alma mater;
Hail! All hail to thee.
