UG Student Permission to Enroll in GR Courses

** This does not apply to students in accelerated Bachelor's to Master's programs at PennWest **
(For participation in accelerated programs, the student should reference PennWest Policy AC005.)

Policy Undergraduate students who have earned senior standing (90+ earned credits towards their undergraduate degree) may enroll in a maximum of 6 graduate credits as an undergraduate student if they meet the following requirements:

- The student must possess and maintain a minimum cumulative GPA of 3.0.
- Undergraduate transfer students with senior standing must have earned a minimum of 12 credits from Pennsylvania Western University prior to enrolling in graduate courses.
- Individual departments determine the prerequisites for each course, and the student must meet these prerequisite requirements or obtain a waiver of the prerequisite from the instructor and department chair.

Important Disclaimers:

- A. If a graduate course is taken for credit to apply toward meeting undergraduate program graduation requirements, the course and credits cannot also count toward graduate program requirements at PennWest.
- B. If a graduate course is taken for credit toward a graduate program, the course and credits cannot also be applied toward the undergraduate program requirements at PennWest.
 - i. Students must fulfill all requirements for entrance into the graduate program of which the courses are part, other than completion of the undergraduate degree or teaching certification, where appropriate.
