Sexual Misconduct Definitions

1. **Dating Violence** – (as defined in the Violence Against Women Act (VAWA) amendments to the Clery Act) includes any violence committed by a person:
   
   (A) who is or has been in a social relationship of a romantic or intimate nature with the Complainant; and
   
   (B) where the existence of such a relationship shall be determined based on a consideration of the following factors:
   
   (i) the length of the relationship;
   
   (ii) the type of relationship; and (iii) the frequency of interaction between the persons involved in the relationship. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of Domestic Violence.

2. **Domestic Violence** – (as defined in the VAWA amendments to the Clery Act), includes any violence committed by a current or former spouse or intimate partner of the Complainant, by a person with whom the Complainant shares a child in common, by a person who is cohabitating with or has cohabitated with the Complainant as a spouse or intimate partner, by a person similarly situated to a spouse of the Complainant under Pennsylvania’s domestic or family violence laws or by any other person against an adult or youth Complainant who is protected from that person’s acts under the domestic or family violence laws of Pennsylvania.

3. **Retaliation** – Any action, directly or through others, which is aimed to deter a reasonable person from reporting sexual misconduct or participating in an investigation or hearing or action that is done in response to such activities. This includes but is not limited to intimidation, threats, coercion, or discrimination against any individual (A) for the purpose of interfering with any right or privilege secured by Title IX of the Education Amendments of 1972 or its implementing regulations; or (B) because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding or hearing under this Policy. A finding of retaliation under this Policy is not dependent on a finding that the underlying sexual misconduct occurred.

4. **Sexual Assault** – (As defined in the Clery Act) – This includes any sexual act directed against another person, without the Consent of the Complainant, including instances where the Complainant is incapable of giving Consent. Sexual Assault may be one of the following categories:

   A. **Sexual Penetration Without Consent**
      
      Any penetration of the mouth, sex organs, or anus of another person, however slight by an object or any part of the body, when Consent is not present. This includes performing oral sex on another person when Consent is not present.
B. **Sexual Contact Without Consent**
Knowingly touching or fondling a person’s genitals, breasts, buttocks, or anus, or knowingly touching a person with one’s own genitals or breasts, when Consent is not present. This includes contact done directly or indirectly through clothing, bodily fluids, or with an object. It also includes causing or inducing a person, when Consent is not present, to similarly touch or fondle oneself or someone else.

C. **Statutory Sexual Assault**
The age of consent for sexual activity in Pennsylvania is 16. Minors under the age of 13 cannot consent to sexual activity. Minors aged 13-15 years old cannot consent to sexual activity with anyone who is 4 or more years older than they are at the time of the activity. Minors aged 16 years or older can legally consent to sexual activity, as long as the other person does not have authority over them as defined in Pennsylvania’s institutional sexual assault statute[1].

5. **Sexual Exploitation**
Engaging in sexual behaviors directed toward or involving another person or use of another person’s sexuality for purposes of sexual gratification, financial gain, personal gain or personal advantage when Consent is not present. This includes, but is not limited to, the following actions, including when they are done via electronic means, methods or devices:

A. Sexual voyeurism or permitting others to witness or observe the sexual or intimate activity of another person without that person’s Consent;

B. Indecent exposure or inducing others to expose private or intimate parts of the body when Consent is not present;

C. Recording or distributing information, images or recordings of any person engaged in sexual or intimate activity in a private space without that person’s Consent;

D. Prostituting another individual; or

E. Knowingly exposing another individual to a sexually transmitted disease or virus without that individual’s knowledge; and

F. Inducing incapacitation for the purpose of making another person vulnerable to non-consensual sexual activity.

6. **Sexual Harassment**
For purposes of this Policy, the term includes the defined violations of Regulatory Quid Pro Quo or Hostile Environment Sexual Harassment, Dating or Domestic Violence, Sexual Assault and Stalking.

7. **Regulatory Quid Pro Quo Sexual Harassment**
An Employee conditioning the provision of aid, benefit or service of the university on an individual’s participation in unwelcome sexual conduct.

8. **Non-Regulatory Quid Pro Quo Sexual Harassment**
An Official, Volunteer or Student conditioning the provision of aid, benefit or service of the university on the individual’s participation in unwelcome sexual conduct.
9. **Regulatory Hostile Environment Sexual Harassment**
   Unwelcome conduct, on the basis of sex, that a reasonable person would determine is so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the university’s Education Program or Activity.

10. **Non-Regulatory Hostile Environment Sexual Harassment**
    Unwelcome conduct, on the basis of sex, that a reasonable person would determine is sufficiently severe, pervasive, and objectively offensive that it unreasonably interferes with, limits, or deprives an individual from participating in or benefiting from any educational, employment, social or residential program in offered connection with the university.

11. **Stalking** (as defined in the VAVA amendments to the Clery Act)
    Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
    
    A. fear for their safety or the safety of others; or
    B. suffer substantial emotional distress.
    
    A course of conduct is when a person engages in two or more acts that include, but are not limited to, acts in which the person directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveys, threatens, or communicates to or about a person in a prohibited way, or interferes with a person’s property.
    
    Stalking includes the concept of cyberstalking, in which electronic media such as the internet, social networks, blogs, cellphones, texts, email or other similar devices or forms of contact are used to pursue, harass, or to make unwelcome contact with another person in an unsolicited fashion.

12. **Consent**
    A knowing and voluntary agreement to engage in specific sexual activity at the time of the activity. In order to be valid, Consent must be knowing, voluntary, active, present and ongoing. Consent is not present when it is the result of coercion, intimidation, force, or threat of harm. Consent is not present when an individual is incapacitated due to alcohol, drugs, or sleep, or otherwise without capacity to provide Consent due to intellectual or other disability or other condition.
    
    When alcohol is involved, incapacitation is a state beyond drunkenness or intoxication. When drug use is involved, incapacitation is a state beyond being under the influence of or impaired by the use of the drug. Alcohol and other drugs impact each individual differently. Determining whether an individual is incapacitated requires an individualized determination.
    
    When determining whether a person has the capacity to provide Consent, the university will consider whether a sober, reasonable person in the same position knew or should have known that the other party could or could not consent to the sexual activity. When determining whether Consent has been provided, all the circumstances of the relationship between the parties will be considered.

If You Have Experienced Sexual Violence, Interpersonal Violence or Stalking

IMMEDIATE STEPS
Contact the police who can put you in touch with resources, coordinate medical attention if necessary, and collect physical evidence of the crime for possible criminal prosecution if you choose to pursue criminal charges (even if this is determined later, the collection of evidence is important for presentation of the case).

If you do not wish to contact the police immediately, it is suggested that you do the following:

- Go to a safe place. Your community assistant's room, a friend's room, or any open offices on campus.
- Seek medical attention, if needed.
- Call someone you trust. A friend, family member, or advocate are good resources. You do not have to go through this alone.
- Preserve evidence. After sexual violence, do not shower until you have considered whether to have a no-cost forensic sexual assault examination at the hospital and save the clothes you were wearing (unwashed) in a paper or cloth bag. After sexual violence, interpersonal violence or stalking, take photos of any damage or injury and keep communication records.

WITHIN 24 HOURS

- Seek out confidential support. You may want to turn to a confidential advocate or counselor for support and advice. They will talk with you about your options for additional support services and reporting.
- After unwanted physical contact, get medical attention. A medical provider can check for and treat physical injury, sexually transmitted infections, and pregnancy. You do not need to make a formal report or press charges to receive medical care.

AT ANY TIME

- Consider making a formal report. You are encouraged to report what happened to both the police and the Title IX Coordinator: Amy Salsgiver, Executive Director of Equity and Title IX. You can decide how much you would like to participate in any investigation process.
- PennWest Edinboro can help. Campus-based resources like the dean of students can help you with changes to your housing, classes, work and more. You do not need to make a formal report or press charges to receive help from PennWest Edinboro.
PennWest Edinboro’s Commitment to a Safe and Supportive Community

PennWest Edinboro is committed to creating and maintaining a campus environment free from all forms of sexual violence, relationship violence and stalking. All reports are taken with the utmost seriousness.

You are not alone. You do not have to make a formal report or press criminal charges to receive medical and academic support. The resources listed in this brochure, for both on and off campus, can help.

EMPLOYEE REPORTING

Under our Sexual Misconduct Policy and Complaint Procedure, most employees who witness or receive a report of sexual violence, interpersonal violence, or stalking must report the incident to the Title IX Coordinator. Exceptions include employees in the Health and Wellness Center and faculty members as outlined in the syllabus for the class.

Under the Clery Act, many employees also have a duty under federal law to report crimes to Pennsylvania Western University Police. The report includes the date, time and place of the incident; the report does not require the identity of the reporting party should they wish to remain anonymous.

Reporting and Investigating

Individuals reporting sexual violence are strongly encouraged to make a report to both the police and the Title IX Coordinator for assistance and investigation. Reporting can help to ensure the safety of the reporting party and the campus community. Reporting parties may choose not to participate further in any internal university investigation. Reports to PennWest Edinboro Police are investigated and the survivor has the option for the police to stop the criminal investigation of the accused at any time.
